

Small Business of the Game

Here's to watching small businesses grow.

Comerica has always been committed to helping small businesses thrive. That's why we've teamed up with the Detroit Lions to honor small businesses throughout Michigan each week. We believe every small business deserves the opportunity to grow, and we work hard to provide the knowledge, experience and financial solutions they deserve.

COMPANY OVERVIEW

Information Systems Resources is a leading provider of services and products designed to build and manage computer network infrastructures. ISR provides customized, integrated IT solutions with services that encompass each phase of the computer life cycle process: from design and consulting, procurement and deployment, operation and support, to enhancement and migration.

Comerica will also be honoring the following businesses this season:

Client Financial Services

Skinnytees

w3r Consulting

L.I.J.B.S. Towing & Transport

Technosports

Woodland Direct

Ryba's Fudge Shops

The Official Bank of the Detroit Lions
